REQUEST FOR EXTENSION OF TIME

By and through undersigned counsel, JEA hereby requests, pursuant to Florida Administrative Code Rule 62-110.106(4), an extension of time to and including March 6, 2009, in which to file a Petition for Administrative Proceedings in the above-styled matter. As good cause for granting this request, JEA states the following:

1. On or about December 22, 2008, JEA received from the Department of Environmental Protection (Department) a Revised Technical Evaluation and Preliminary Determination, a Revised Proposed Draft Air Permit, and a Revised Written Notice of Intent to Issue Air Permit (Permit No. PSD-FL-401, 0310561-001-AC) for the Greenland Energy Center located in Duval County, Florida.
2. The Revised Draft Permit and the Revised Technical Evaluation and Preliminary Determination contain several provisions that warrant clarification or correction.
3. Representatives of JEA have corresponded and will continue to correspond with staff of the Department's Bureau of Air Regulation in an effort to resolve all issues. Additional time is needed to continue these discussions and to reach a resolution of the pending issues.
4. This request is filed simply as a protective measure to avoid waiver of JEA's right to challenge certain conditions contained in the Revised Draft Air Permit and Revised Technical Evaluation and Preliminary Determination. Grant of this request will not prejudice either party, but

will further their mutual interest and likely avoid the need to file a petition and proceed to a formal administrative hearing.

5. JEA representatives have attempted to discuss this extension request with Ronni Moore with the Department's Office of General Counsel and the Department.

WHEREFORE, JEA respectfully requests that the time for filing a Petition for Administrative Proceedings with regard to the above-referenced Revised Technical Evaluation and Preliminary Determination, Revised Proposed Draft Air Permit, and Revised Written Notice of Intent to Issue Air Permit (Permit No. PSD-FL-401, 0310561-001-AC) be formally extended to and including March 6, 2009. If the Department denies this request, JEA requests the opportunity to file a Petition for Administrative Proceedings within 10 days of such denial.

Respectfully submitted this 5th day of January, 2009.

From: Ronni Moore, Assistant General Counsel

Re: JEA vs. DEP; DEP Permit No. PSD-FL-401; OGC No. 08-2224

On August 20, 2008, the Department issued its Notice of Intent to issue air permit number PSD-FL-401 for project number 0310561-001-AC to JEA. JEA requested and was granted four extensions of time to file a petition for hearing on the draft permit. The Department granted JEA's fourth extension of time through December 31, 2008.

After reviewing JEA's comments on the draft permit, the Department significantly changed the draft permit and issued a revised draft permit to JEA on December 22nd. The revised draft permit replaced the August 20th draft permit. There being no further matters to consider, the Department's file in this matter is closed.

THIRD REQUEST FOR EXTENSION OF TIME

By and through undersigned counsel, JEA hereby requests, pursuant to Florida Administrative Code Rule 62-110.106(4), an extension of time to and including December 8, 2008, in which to file a Petition for Administrative Proceedings in the above-styled matter. As good cause for granting this request, JEA states the following:

1. On or about August 20, 2008, JEA received from the Department of Environmental Protection (Department) a Technical Evaluation and Preliminary Determination, a Proposed Draft Permit, and a Written Notice of Intent to Issue Air Permit (Permit No. PSD-FL-401, 0310561-001-AC) for the Greenland Energy Center located in Duval County, Florida.
2. The draft permit contains several provisions that warrant clarification or correction.
3. JEA requested an extension of time within which to file a petition for administrative petition September 2, 2008, and the Department granted the extension through October 10, 2008, by order issued on September 10, 2008. JEA subsequently requested a second extension of time within which to file a petition for administrative petition on October 8, 2008, and the Department granted the extension through November 7, 2008, by order issued on October 10, 2008.
4. Representatives of JEA have corresponded and will continue to correspond with staff of the Department's Bureau of Air Regulation in an effort to resolve all issues. Additional time is needed to continue these discussions and to reach a resolution of the pending issues.

5. This request is filed simply as a protective measure to avoid waiver of JEA's right to challenge certain conditions contained in the Notice of Intent to Issue Air Permit. Grant of this request will not prejudice either party, but will further their mutual interest and likely avoid the need to file a petition and proceed to a formal administrative hearing.

6. JEA representatives have discussed this extension request with Ronni Moore with the Department's Office of General Counsel and with Syed Airf, with the Department's Bureau of Air Regulation.

WHEREFORE, JEA respectfully requests that the time for filing a Petition for Administrative Proceedings with regard to the above-referenced Technical Evaluation and Preliminary Determination, Proposed Draft Permit, and Written Notice of Intent to Issue Air Permit (Permit No. PSD-FL-401, 0310561-001-AC) be formally extended to and including December 8, 2008. If the Department denies this request, JEA requests the opportunity to file a Petition for Administrative Proceedings within 10 days of such denial.

Respectfully submitted this 3rd day of November, 2008.

SECOND REQUEST FOR EXTENSION OF TIME

By and through undersigned counsel, JEA hereby requests, pursuant to Florida Administrative Code Rule 62-110.106(4), an extension of time to and including November 7, 2008, in which to file a Petition for Administrative Proceedings in the above-styled matter. Based on my discussion with Trina, we should give them extension of time until October 10th. We don't believe their request for extension of time until November 3rd is justified.
