Dear Mr. Fancy:

This is to acknowledge the receipt of your PSD preliminary determination and to confirm the May 18, 1987, conversation between you and Mr. Gary Ng of my staff with regard to the proposed major modification at the above-referenced source in Escambia County. As of now, we have no comments other than that the modeling printouts that were requested in the telephone conversation have not yet arrived. Please send them as soon as possible if they have not already been forwarded.

This determination will not be subject to review under the Region IV Overview of State Programs policy.

Please submit copies of the final determination and permit when they are issued. If you have any questions, please contact me or Mr. Gary Ng of my staff at (404) 347-2864.

Sincerely yours,

Bruce P. Miller

LEGAL NOTICE

State of Florida
Department of
Environmental
Regulation
Proposed Agency
Action on Permit
Application

(The Department of Environmental Regulation gives notice of its intent to issue a permit to Armstrong World Industries, Inc. to construct a FMS manufacturing line at their existing facility located at 300 South Myrick Street, Pensacola, Escambia County, Florida. The proposed project will emit 37.62 TPY particulate matter and small quantities of the products of combustion of natural gas. The proposed project is subject to the prevention of significant deterioration regulations. A determination of best available control technology (BACT) is required. The annual and 24-hour impact of the net increase in particulate matter emissions are 0.4 and 4.6 ug/m³, respectively.

Persons whose substantial interests are affected by the Department's proposed permitting decision may petition for an administrative proceeding (hearing) in accordance with Section 120.57, Florida Statutes. The petition must conform to the requirements of Chapters 17-403 and 28-5, Florida Administrative Code and must be filed (received) in the Office of General Counsel of the Department at 2600 Blair Stone Road, Twin Towers Office Building, Tallahassee, Florida 32301, within fourteen (14) days of publication of this notice. Failure to file a request for hearing within this time period shall constitute a waiver of any right such person may have to request an administrative determination (hearing) under Section 120.57, Florida Statutes.

If a petition is filed the administrative hearing process is designed to formulate agency action. Accordingly, the Department's final action may be different from the position taken by it in this preliminary statement. Therefore, persons who may not object to the proposed agency action may wish to intervene in the proceeding. A petition for intervention must be filed pursuant to Model Rule 28-5.207 at least five (5) days before the final hearing and be filed with the hearing officer if one has been assigned at the Division of Administrative Hearings, Department of Administration, 2009 Apalachee Parkway, Tallahassee, Florida 32301. If no hearing officer has been assigned, the petition is to be filed with the Department's Office of General Counsel, 2600 Blair Stone Road, Tallahassee, Florida 32301. Failure to petition to intervene within the allowed time frame constitutes a waiver of any right such person has to request a hearing under Section 120.57, Florida Statutes.

The application is available for public inspection during normal business hours, 8:00 a.m. to 5:00 p.m., Monday through Friday, except legal holidays, at:

Dept. of Environmental Regulation
Northwest District
160 Governmental Center
Pensacola, Florida 32501-5794

Dept. Of Environmental Regulation
Bureau of Air Quality Management
2600 Blair Stone Road
Tallahassee, Florida 32399-2400

Any person may send written comments on the proposed action to Mr. Bill Thomas at the Department's Tallahassee address. All comments mailed within 30 days of the publication of this notice will be considered in the Department's final determination.
