RE: Part 1 MACT Application for the  
Combustion Turbine (CT) Source Category

Dear Mr. Neeley and Ms. Phillips:

Please find enclosed Part 1 of the two-part 112(j) permit application. We understand that EPA finalized amendments on April 5<sup>th</sup> to allow this two-part application process, and that DEP is acting to incorporate by reference these amendments at its earliest opportunity. As indicated in your letter dated April 5, 2002, we are submitting Part 1 by May 15, 2002.

Based on the information available to us at the time of this application, we believe that we may be subject to section 112(j) of the Clean Air Act. We reserve the right, however, to amend or withdraw this application should we obtain new or different information regarding our status.

Please contact me at 850-444-6527 if you have any questions.

Sincerely,

G. Dwain Waters, Q.E.P.  
Air Quality Programs Supervisor

Dear Mr. Waters:

Thank you for submitting the referenced information in your letter dated May 8, 2002.  
Your information submittals appear to meet our current 112(j) requirements.

Please be aware that, although your letter refers to these information submittals as a "Part 1 MACT application," the Department does not recognize your submittals as state permit applications and has no plans to process them as such.

No further 112(j) information is needed from you at this time.

If you have any questions, please call me at 850/921-9534.

Sincerely,

Cindy L. Phillips, P.E.
