**RE: Application for ADAGE Gadsden LLC - Air Construction Permit Proposed
Nominal 55.5 MW Net Woody Biomass Electric Power Plant Gadsden
County, Florida, Project No. 0390046-001-AC**

Dear Mr. Linero:

ADAGE Gadsden LLC (ADAGE) submitted an application (the Application) for an air construction permit to the Florida Department of Environmental Protection, Bureau of Air Regulation, Division of Air Resource Management (Bureau) dated January 27, 2010 for the construction of a proposed nominal 55.5 MW Net Woody Biomass Electric Power Plant to be located in the City of Gretna, Gadsden County, Florida. ADAGE hereby withdraws the Application and requests that the Bureau cease any further consideration of, or activity upon, the Application.

Thank you for your assistance and understanding in this matter. If you have any questions, please do not hesitate to contact us.

Very truly yours,
ADAGE Gadsden LLC
