PUBLIC NOTICE OF INTENT
TO ISSUE AIR PERMIT
Florida Department of
Environmental Protection
Division of Air Resource Management,
Bureau of Air Regulation
Draft Air Permit No. 0410004-016-AC
Florida Gas Transmission Company,
Compressor Station No. 24,
Gilchrist County, Florida

Applicant: The applicant for this project is the Florida Gas Transmission Company. The applicant's authorized representative and mailing address is: David Shelihouse, Vice President, Southeastern Operations, Florida Gas Transmission Company, 2405 Lucien Way, Suife 200, Maitland, FL 32751.

Facility Location: Florida Gas Transmission Company operates the existing Compressor Station No. 24, which is located in Glichrist County at 5030 South U.S. Highway 129 in Trenton, Florida.

Project: The proposed project is part of Florida Gas Transmission Company's overall Phase VIII expansion project intended to increase the availability and reliability of natural gas supplied by the existing pipeline. The expansion at this station will consist of installing a new 20,500 brake horsepower (bhp) combustion turbine compressor engine, two new 454 bhp emergency generators and a 500 gallon oily water tank. All units exclusively fire natural gas.

The new combustion turbine is subject to the federal New Source Performance Standards (NSPS) for nitrogen oxides and sulfur dioxide in NSPS Subpart KKKK. The applicant requested standards more stringent than the federal standards and within the capabilities of the combustion turbine to avoid preconstruction review in accordance with the Prevention of Significant Deterioration (PSD) of Air Quality pursuant to Rule 62-212.400, F.A.C. The new emergency generators are subject to the federal standards for carbon monoxide, nitrogen oxides and volatile organic compounds in NSPS Subpart JJJJ. After completing construction, the facility will remain a minor PSD stationary source, but will become a Title V major source.

Permitting Authority: Applications for air construction permits are subject to review in accordance with the provisions of Chapter 403, Florida Statutes (F.S.) and Chapters 62-4, 62-210 and 62-212 of the Florida Administrative Code (F.A.C.). The proposed project is not exempt from air permitting requirements and an air permitting requirements and an air permit is required to perform the proposed work. The Permitting Authority responsible for making a permit determination for this project is the Bureau of Air Regulation in the Department of Environmental Protection's Division of Air Resource Management. The Permitting Authority's physical address is: 111 South Magnolia Drive; Suite #4, Tallahassee, Florida The Permitting Authority's mailing address is: 2600 Blair Stone Road, MS #5505, Tallahassee, Florida 32399-2400. The Permitting Authority's telephone number is Permitting Authority: Applications for air ting Authority's telephone number 850/488-0114.

Project File: A complete project file is available for public inspection during the normal business hours of 8:00 a.m. to 5:00 p.m., Monday through Friday (except legal holidays), at the physical address indicated above for the Permitting Authority The complete project file indress indicated above for the Permitting Authority. The complete project file includes the Draft Permit, the Technical Evaluation and Preliminary Determination, the application and information submitted by the applicant (exclusive of confidential records under Section 403.111, F.S.). Interested persons may contact the Permitting Authority's project engineer for additional information at the address and phone number listed above. In addition, electronic copies of these documents are available on the following web site: http://www.dep.state.fl.us/air/eproducts/apds/default.asp.

Notice of Intent to Issue Air Permitt: The Permitting Authority gives notice of its intent to issue an air construction permit to the applicant for the project described above. The applicant has provided reasonable assurance that operation of proposed equipment will not adversely impact air qualify and that the project will comply with all appropriate provisions of Chapters 62-4, 62-204, 62-210, 62-212, 62-296 and 62-297, F.A.C. The Permitting Authority will issue a Final Permit in accordance with the conditions of the proposed Draft Permit unless a timely petition for an administrative hearing is filled under Sections 120.559 and 120.57, F.S. or unless public commant received in accordance. of the specific rules or statutes the petitioner contends require reversal or modification of the agency's proposed action including an explanation of how the alleged facts relate to the specific rules or statutes; and, (g) A statement of the relief sought by the petitioner, stating precisely the action the petitioner wishes the agency to take with respect to the agency's proposed action. A petition that does not dispute the material facts upon which, the Permitting Authority's action is based shall state that no such facts are in dispute and otherwise shall contain the same information as set forth above, as required by Rule 28-106.301, F.A.C.

Because the administrative hearing process is designed to formulate final agency action, the filing of a petition means that the Permitting Authority's final action may be different from the position taken by it in this Public Notice of Intent to Issue Air Permit. Persons whose substantial interests will be affected by any such final decision of the Permitting Authority on the application have the right to petition to become a party to the proceeding, in accordance with the requirements set forth above.

# HAMILTON COUNTY COMMISSION REQUEST FOR ADMINISTRATION PROPOSALS

The Hamilton County Commission hereby requests proposals from qualified individuals or firms to provide Administration services for Hamilton County's anticipated 2009 Community Development. Block Grant (CDBG) Housing Revitalization project. Certain federal and state requirements (such as equal employment provisions) will apply to the contract for this project. Professional services required shall be secured in accordance with CDBG Regulations including 24CFR, Part 85, and other procurement requirements adopted by the Florida Department of Community Affairs.

Project will include housing repairs or re-placement and demolition of substandard structures and other similar activities.

Administration services will include complete management and reporting for the project to include, but not be limited to, the following tasks: environmental review, contract development, project/program management, financial tracking and advisory management, monitoring labor standards, review of policies and procedures and all other federal or state imposed requirements for grant implementation and compliance.

Submittals should include corporate information, personnel who would work on the project, related experience of those personnel, public entity crime form, management work plan showing milestones and expected timeframes, firm/personnel workload, and any other relevant information deemed necessary. Certified MBE firms are encouraged to submit certification documents with their proposal to receive bonus points in the evaluation process.

process.

Task analysis may be required for this contract therefore proposals should include proposed tasks to be accomplished. Proposals will be evaluated on an equal competitive basis using the following criteria; (1) experience or ability to become experienced with the Florida Small Cities CDBG program or similar programs (25 Points); (2) staffing and management (20 Points); (3) technical approach to local needs, including task outline or work management plan for proposed completion (20 Points); (4) familiarity or ability to become familiar with local conditions (20 Points); (5) quality of references and their responses (10 Points) and (5) fee (5 Points). The fee quoted must indicate a basis for calculation and submittal. Fees may be quoted as lump sum, hourly rate or task completion rate.

sum, hourly rate or task completion rate.

Six (6) copies of sealed proposals, marked "SEALED PROPOSAL FOR CDBG ADMINISTRATIVE SERVICES", must be received by 3:00 P.M. ON MAY 1, 2009, at the Hamilton County Courthouse; Clerk of Court's Office, 207 NE-First Street, Room 106, Jasper, FL 32052, Attn: Greg Godwin, Hamilton County Clerk of Courts, in order to be considered. Additional information may be obtained from Mr. Danny Johnson, Hamilton County Coordinator, at (386) 792-6639. Proposals will be opened as soon as possible after the submission deadline. Evaluation and selection will occur in accordance with CDBG requirements at a time and place to be determined. An evaluation committee may be appointed and interviews may be conducted. Any contract resulting from the process will be subject to review and will be fashioned so as to protect the County's interest.

The Commission reserves the right to re The Commission reserves the right to reject any and all proposals, to waive any informalities or irregularities in the proposal process and to award the contract in the best interest of the County. The services contract is subject to grant award and release of funds by the funding agency.
