Hello Joy!

They have not applied or reapplied.

You will be on any notifications list associated with any such project in Gulf County if we receive one.

Seasons greetings!

Al Linero.

Subject: Gulf County biomass burner?

Hi Al,

Would you please advise Marilyn Blackwell and me if S Glenn Farris and/or Biomass Gas & Electric, or another company, has recently applied (or re-applied) for an air permit for a biomass burner in Gulf County?

If so, please put us both on your notifications list.

Thanks Al,
and Merry Christmas!
Joy
