Dear Mr. Koerner:

On February 6, 2007, Hardee Power Partners submitted a request for revision of the CT-2B heat input limits in the above-referenced Hardee Power Station permits. Incorrect signature forms were mistakenly included with that request. Attached are the corrected forms; please replace the appropriate pages in the previous permit revision request with these pages. I apologize for any inconvenience.

Please feel free to contact Frank Sarduy at (813) 314-2459 if you have any questions regarding this permit revision request.

Sincerely,

Alex C. George
