Title V DRAFT Permit Revision No. 0490015-005-AV Hardee Power Station Hardee County
The Department of Environmental Protection (permitting authority) gives notice of its intent to issue a Title V air operation permit revision for the Hardee Power Station, located on County Road 663, Fort Green Springs, Hardee County. The revision reflects the addition of an additional simple cycle, dual fuel, General Electric Model 7EA combustion turbine (CT-2B) with electrical generator (75 MW). The applicant's name and address are: Mr. John T. Duff, Vice President, Power Operations, Hardee Power Partners, Limited, P.O. Box 111, Tampa, FL 33601-011.
The permitting authority will issue the Title V PROPOSED Permit Revision, and subsequent Title V FINAL Permit Revision, in accordance with the conditions of the Title V DRAFT Permit Revision unless a response received in accordance with the following procedures results in a different decision or significant change of terms or conditions. The permitting authority will accept written comments concerning the proposed Title V DRAFT Permit Revision issuance action for a period of 30 (thirty) days from the date of publication of this Notice. Written comments should be provided to the Department's Bureau of Air Regulation, 2600 Blair Stone Road, Mail Station #5505, Tallahassee, Florida 32399-2400. Any written comments filed shall be made available for public inspection. If written comments received result in a significant change in this DRAFT Permit Revision, the permitting authority will issue another DRAFT Permit Revision and require, if applicable, another Public Notice.
A person whose substantial interests are affected by the proposed permitting decision may petition for an administrative hearing in accordance with Sections 120.569 and 120.57 of the Florida Statutes (F.S.). The petition must contain the information set forth below and must be filed (received) in Office of General Counsel of the Department of Environmental Protection, 3900 Commonwealth Boulevard, Mail Station #35, Tallahassee, Florida 32309-3000 (Telephone: 904/488-9730; Fax: 904/487-4938). Petitions filed by any persons other than those entitled to written notice under Section 120.60(3), F.S., must be filed within fourteen days of publication of the public notice or within fourteen days of receipt of the notice of intent, whichever occurs first. Under Section 120.60(3), F.S., however, if any person who asked the permitting authority for a notice of agency action may file a petition within fourteen days of receipt of that notice, regardless of the date of publication. A petitioner shall mail a copy of the petition to the applicant at the address indicated above, at the time of filing. The failure of any person to file a petition within the applicable time period shall constitute a waiver of that person's right to request an administrative determination (hearing) under Sections 120.569 and 120.57, F.S., or to intervene in this proceeding and participate as a party to it. Any subsequent intervention will be only at the approval of the presiding officer upon the filing of a motion in compliance with Rule 28 and 106.205, F.A.C.
A petition that disputes the
