Subject: Monday Meetings

Hello,

On Monday after the Ethanol project meeting at DEP Tallahassee office Southern Gardens Citrus Processing (SGCP) Tris Chapman and me would like to meet with DEP (Edward Svec, Russell Wider and Joe Kahn) to discuss some of our Southern Gardens Citrus Processing environmental projects. We scheduled a later departing flight in hopes of being able to meet with one or all of you. This meeting would probably be less than half an hour. Please excuse the short notice meeting request.

Agenda for this meeting:

1. CEMS pilot study:
 - a. Analyzer
 - b. Start date
 - c. Fuel usage after completion of 60 day pilot test?

Σ fuels to do
 0.6% used oil?

2. Alternative Dryer fuel types:
 - a. Diesel fuel #6 (1% and 0.6%)
 - b. Ethanol
 - c. Used Oil vs. Virgin fuel oil

8
 1%

- i. 40 CFR Part 279.11 \rightarrow *if it meets spec; no longer considered used oil, (need permit mod to do it)*
 - ii. 60 CFR and Rule 62-213.410

3. Other?

Best Regards

Juan Maldonado
 Environmental Specialist
 SGCP

*Scrubber \Rightarrow not for SO₂; no efficiency guaranteed.
