Tallahassee, FL 32399-2400

Dear Ms. Vielhauer:

Thank you for the opportunity to review the proposed Best Available Retrofit Technology evaluation for the CEMEX Cement Inc. Brooksville Cement Plant dated December 17, 2007. We have completed our review and have no comments.

We appreciate your transmittal of this package for our consideration. If you have questions regarding this letter, please contact Heidi LeSane of the Region 4 staff at (404) 562-9074.

Sincerely,

Richard A. Schutt
Chief
Air Planning Branch
