**MOTION FOR EXTENSION OF TIME TO FILE PETITION FOR
ADMINISTRATIVE HEARING BY POTENTIALLY AFFECTED PERSON**

NOW COMES, **HERNANDO COUNTY**, a political subdivision of the State of Florida, by and through its undersigned counsel and pursuant to Rule 28-106.111(3), FAC, files this motion requesting an extension of time for filing a petition for administrative hearing in the above referenced matter. As grounds in support of this motion, substantially affected party would say as follows:

1. **HERNANDO COUNTY**, is a political subdivision of the State of Florida (hereinafter referred to as "**COUNTY**") in whose jurisdiction Permittee operates. **THE DEPARTMENT OF ENVIRONMENTAL PROTECTION** (hereinafter referred to as "**DEP**") has published a Notice of Intent to Issue a Title V Air Operation Permit for Permittee operating within the **COUNTY**. Because Permittee operates in the **COUNTY**, its operations under the Draft Title V proposed permit, may adversely affect the **COUNTY**, its citizens and residents.

2. The **COUNTY** has not had the opportunity to fully review the proposed permit application to in fact determine whether the issuance of the permit may have any adverse or detrimental effects on the **COUNTY**, its citizens or residents.

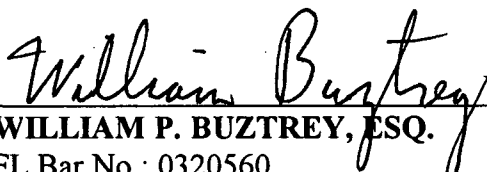

3. The **COUNTY** will be engaging in discussions with Permittee for clarification of certain matters addressed in the Draft Title V permit.

4. Because the **COUNTY** and the Permittee will be engaging in discussions for

clarification and because the COUNTY is seeking additional information, the COUNTY will not be able to determine whether it should file a Petition for Administrative Hearing in accordance with Section 120.569 and Section 120.57 of the Florida Statutes within the fourteen (14) day time period. Accordingly, the COUNTY wishes a meaningful extension of time in which it has to file a Petition for Administrative Hearing if one is required.

4. Pursuant to Rule 28-106.111(3), FAC, the COUNTY has contacted petitioner's representative Pat Venable, who is Environmental Manager of Permittee, at its Brooksville facility and he has stated to the undersigned that Permittee has no objection to the agency granting the COUNTY an extension of time in which to file its Petition for Administrative Hearing.

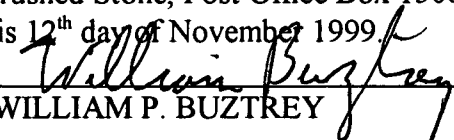

WHEREFORE, HERNANDO COUNTY, respectfully requests DEP to grant it an extension of time up to and including March 1, 2000 in which to file its Petition for Administrative Hearing concerning the Notice of Intent to Issue a Title V Air Operation Permit to Permittee.
