Brooksville, Hernando County, Florida  
Request to Withdraw Application for FDEP Project No. 0530021-051-AC  
Replacement of Existing Water Spray System for Line 1 Kiln (EU 020)

Dear Mr. Koerner:

On behalf of CEMEX Construction Materials Florida, LLC (“CEMEX”), Koogler and Associates, Inc. requests to withdraw the application for FDEP Project No. 0530021-051-AC. FDEP Project No. 0530021-051-AC requested approval to replace the existing water spray system in CEMEX Brooksville South’s Line 1 Kiln (Facility ID 0530021, EU 020) with CEMEX Brooksville North’s evaporative cooling system spray tower (Facility ID 0530010, EU 014). After further discussion regarding the project with FDEP personnel, it was determined that the scope of FDEP Project No. 0530021-051-AC is already approved in existing FDEP Permit No. 0530021-043-AC.
