**RE: Mosaic Fertilizer LLC, Riverview Facility (ID No. 0570008)  
Withdrawal of Request for Extension of Expiration Dates for PSD Permits 315 (036-AC),  
315A (039-AC), 315B (041-AC), 315C (042-AC), 315D (043-AC), 315G (053-AC) and 336  
(044-AC)**

Dear Ms. Vielhauer:

By letter dated December 17, 2007, Mosaic explained that it was operating under the authority of its existing construction permits (referenced above), based on Rule 62-213.420(1)(b), Fla. Admin. Code, since its application for a Title V permit revision was timely and complete before the construction permits expired. Nonetheless, to avoid any concerns, Mosaic also requested that the expiration dates for these permits be formally extended.

Because it was unnecessary, and to avoid any further confusion, Mosaic hereby withdraws its December 17 request for an extension of the above-referenced construction permits, and will continue operating under the authority of these permits based on Rule 62-213.420(1)(b), Fla. Admin. Code., until the conclusion of the proceedings on the Title V permit revision.

Thank you for your attention to this matter. Please contact me at 813-671-6369 if you have any questions or wish to discuss further.

Sincerely,

Jeff Stewart

Dear Ms Vielhauer:

This letter requests that the expiration dates included in the above-referenced permits be extended until the proceedings related to incorporating these permits into the Title V permit concludes. Rule 62-213.420(1)(b) 1, F.A.C., states that, since we filed a timely and complete application for a Title V permit revision to incorporate these permits, the facility can operate under the authority of these construction permits until the Title V revision proceedings conclude. As required by this rule, these construction permits were existing and valid at the time Mosaic's Title V Permit Revision application was timely and complete. Nonetheless, to avoid any concerns, Mosaic requests that DEP extend the expiration dates for these construction permits.

Thank you for your attention to this matter. Please contact me at 813-671-6369 or [jeff.stewart@mosaicco.com](mailto:jeff.stewart@mosaicco.com) if you have any questions or wish to discuss further.

Sincerely,
