Dear Mr. Morris:

Re: Construction Permit Applications for No. 3 and 4 AP
Granulators and South AP Cooler (AC 29-177929, 30, 31).

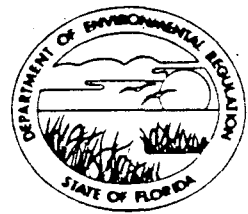

The above construction permit applications can be handled by the Department's Southwest District and the Environmental Protection Commission of Hillsborough County by modifying the current operating permits as there is no construction permit to amend. Since there will be no increase in actual emissions, the current operating rates can be amended by letter without issuing new permits. Please resubmit your request to those respective offices. A refund of your permit application fees is being forwarded separately.

Sincerely,

C. H. Fancy, P.E.
