Re: Cargill Fertilizer Inc.: Draft Permit Revision No. 0570008-037-AV; Title V  
Permit No. 0570008-014-AV  
***Rescission of Request for an Extension of the Time in Which to File Petition  
for Hearing, Mediation or Alternate Remedies, or in the alternative, Petition for  
an Administrative Hearing***

Office of General Counsel:

In a letter dated April 4, 2003, Cargill Fertilizer, Inc. ("Cargill") requested from the Florida Department of Environmental Protection ("FDEP") an extension of the time in which to file a petition for an administrative hearing, mediation or alternate remedies with respect to the above referenced permit ("Permit"). The issues for which the extension of time was requested were resolved in the "Order on Request for Alternative Procedures and Requirements" issued by the FDEP to Cargill on January 9, 2004, File No. 03-C-AP (the "Order"). Because the issues have been fully resolved, Cargill hereby rescinds its request for an extension of time.

Thank you for your kind attention to this matter. Please contact me if you have any questions or concerns.

Sincerely,

James K. Voyles
