Re: General Portland Inc., Tampa Plant:  
Request for Transfer of Operating Permits  
for Air Sources

Ladies and Gentlemen:

This is written in follow-up to General Portland Inc.'s letter dated December 28, 1987, concerning the permits identified in Exhibit A attached hereto, as well as any other air operating permits which the Florida Department of Environmental Regulation may have issued to General Portland Inc. in connection with the operation of its plant located at 2001 Maritime Boulevard in Tampa, Florida, and the transfer of same to Lafarge Corporation.

This letter is written to advise you that General Portland Inc. was merged into its parent, Lafarge Corporation, today, and to request that the above-referenced permits be reissued, with a January 29, 1988 effective date, to Lafarge Corporation. Lafarge Corporation hereby agrees to assume full responsibility for compliance with the terms and conditions of these permits and the State of Florida's laws and regulations applicable to same on and after January 29, 1988. No other changes in the terms or conditions of this permit are requested as a result of this reorganization. The appropriate Request

for Transfer of Permit forms applicable to the permits  
described in Exhibit A are enclosed.

Please transmit the reissued permits at your earliest  
convenience to Lafarge Corporation in care of Bob Pretat at the  
Tampa facility. Mr. Pretat's address is provided below. In  
addition, please provide our counsel, Thompson & Knight, with  
copies of the reissued permits in the envelope provided. Thank  
you very much for your attention to this matter.

Very truly yours,

LAFARGE CORPORATION, a  
Maryland corporation

The undersigned hereby notifies the department of his having acquired title to this pollution source. He further states that he has ex-

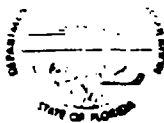

amined the application and documents submitted by the current permittee the basis on which Permit No. A029-127508 was issued by the department, and states that they accurately and completely describe the permitted activity or project. He further states that he is familiar with the permit, agrees to comply with its terms and conditions, and agrees to assume the rights and liabilities contained therein. He also agrees to promptly notify the department of any future change in ownership of, or responsibility for, the permitted activity or project.

Request for Transfer of Air Operating Permit  
Nos. A029-127515, A029-127516, A-029-132627 and  
A029-132629

Ladies and Gentlemen:

This is written in follow-up to General Portland Inc.'s letter dated December 28, 1987 concerning the permits identified in Exhibit A attached hereto, as well as any other permits issued by the Department of Environmental Regulation to General Portland Inc. in connection with the operation of its terminal located at 1625 Penny Street, Tampa, Florida, and the transfer of same to Lafarge Corporation.

This letter is written to advise you that General Portland Inc. was merged into its parent, Lafarge Corporation, today, and to request that the above-referenced permits be reissued, with a January 29, 1988 effective date, to Lafarge Corporation. Lafarge Corporation hereby agrees to assume full responsibility for compliance with the terms and conditions of these permits and the State of Florida's laws and regulations applicable to same on and after January 29, 1988. No other changes in the terms or conditions of these permits are requested as a result of this reorganization. The appropriate Request for Transfer of Permit forms applicable to the permits described in Exhibit A are enclosed.

Re: General Portland Inc., Palm Beach Terminal:  
Request for Transfer of Air Operating Permit

Ladies and Gentlemen:

This is written in follow-up to General Portland Inc.'s letter dated December 28, 1987, concerning the transfer of its interest in the permit described below, as well as any other permits issued by the Department of Environmental Regulation to General Portland Inc. in connection with the operation of its terminal located at 500 Broadway, Riviera Beach, Florida, to Lafarge Corporation:

#A050-084943  
Air; Operating Permit  
for All Air Sources;  
Issued 05/24/84;  
Expires 05/22/89

This letter is written to advise you that General Portland Inc. was merged into its parent, Lafarge Corporation, today, and to request that the above-described permit be reissued, with a January 29, 1988 effective date, to Lafarge Corporation. Lafarge Corporation hereby agrees to assume full responsibility for compliance with the terms and conditions of this permit and the State of Florida's laws and regulations

Re: General Portland Inc., Dade Plant:  
Request for Transfer of Air Operating Permit

Ladies and Gentlemen:

This is written in follow-up to General Portland Inc.'s letter dated December 28, 1987 concerning the permit identified in Exhibit A, attached hereto, as well as any other permits issued by the State of Florida Department of Environmental Regulation to General Portland Inc. in connection with the operation of its plant located at 5800 S.W. 177th Avenue, Miami, Florida, and the transfer of same to Lafarge Corporation.

This letter is written to advise you that General Portland Inc. was merged into its parent, Lafarge Corporation, today, and to request that the above-referenced permit be reissued, with a January 29, 1988 effective date, to Lafarge Corporation. Lafarge Corporation hereby agrees to assume full responsibility for compliance with the terms and conditions of this permit and the State of Florida's laws and regulations applicable to same on and after January 29, 1988. No other changes in the terms or conditions of this permit are requested as a result of this reorganization. The appropriate Request for Transfer of Permit form applicable to the permit described in Exhibit A is enclosed.
