(SEAL)

State of Florida
Department of
Environmental Regulation
Notice of Proposed Agency
Action on Permit Application.
The Department gives notice of its intent to issue a permit to Nitram, Inc. to authorize construction of a 700 TPD nitric acid plant at their facility located at 5321 Hartford Street in Tampa, Hillsborough County, Florida.
Two existing nitric acid plants, having a total production rate of approximately 700 TPD, will be combined and modified into a single, more efficient, nitric acid plant with the same production capacity of 700 TPD. The allowable nitric oxides emissions from nitric acid production will remain at 3.1 lb NOx/T acid produced at 98.3 TPY. A Best Available Control Technology (BACT) air permit determination was not required for this project.
Persons whose substantial interests are affected by the Department's proposed permitting decision may petition for an administrative proceeding (hearing) in accordance with Section 120.57, Florida Statutes. The petition must conform to the requirements of Chapters 17-103 and 28-5, Florida Administrative Code, and must be filed (received) in the Office of General Counsel of the Department at 2600 Blair Stone Road, Twin Towers Office Building, Tallahassee, Florida 32301, within fourteen (14) days of publication of this notice. Failure to file a request for hearing within this time period shall constitute a waiver of any right such person may have to request an administrative determination (hearing) under Section 120.57, Florida Statutes.
If a petition is filed, the administrative hearing process is designed to formulate agency action. Accordingly, the Department's final action may be different from the position taken by it in this preliminary statement. Therefore, persons who may not object to the proposed agency action may wish to intervene in the proceeding. A petition for intervention must be filed pursuant to Model Rule 28-5.207 at least five (5) days before the final hearing and be filed with the hearing officer if one has been assigned at the Division of Administrative Hearings, Department of Administration, 2009 Apalachee Parkway, Tallahassee, Florida 32301. If no hearing officer has been assigned, the petition is to be filed with the Department's Office of General Counsel.

2600 Blair Stone Road, Tallahassee, Florida 32301. Failure to petition to intervene within the allowed time frame constitutes a waiver of any right such person has to request a hearing under Section 120.57, Florida Statutes.
The application is available for public inspection during normal business hours, 8:00 a.m. to 5:00 p.m., Monday through Friday, except legal holidays, at:
Department of Environmental Regulation
Southwest District
7601 Highway 301 N.
Tampa, Florida 33610
Department of Environmental Regulation
Bureau of Air Quality Management
2600 Blair Stone Road
Tallahassee, Florida 32301
Hillsborough County Environmental Protection Commission
1900 9th Avenue
Tampa, Florida 33605
Any person may send written comments on the proposed action to Mr. Bill Thomas at the Department's Tallahassee address. All comments mailed within 30 days of the publication of this notice will be considered in the Department's final determination.
