NOTICE OF WITHDRAWAL OF ENLARGEMENT OF TIME

Tampa Electric Company ("Tampa Electric"), by and through undersigned counsel, hereby withdraws its Second Request for Enlargement of Time to file a petition for formal administrative proceedings in accordance with Chapter 120, Florida Statutes. Tampa Electric currently has pending a Second Request for Enlargement of Time until November 15, 2004, in response to the "Intent to Issue Air Construction Permit and Title V Air Operation Permit" (Draft Permit Nos. 0570039-016-AC and 0570039-017-AV) for the Big Bend Station, located in North Ruskin, Hillsborough County, Florida, to negotiate certain changes in the Draft Title V permit with the Department. Following discussions with Department representatives, Tampa Electric and the Department have come to a resolution on the issues involved in the above-referenced Draft Title V permit. Accordingly, conditioned upon the Department's issuance of the Proposed Title V permit in accordance with this resolution, Tampa Electric hereby withdraws its Request for Enlargement of Time.

SECOND REQUEST FOR ENLARGEMENT OF TIME

By and through undersigned counsel, Tampa Electric Company (Tampa Electric) hereby requests, pursuant to Florida Administrative Code Rule 62-110.106(4), an enlargement of time, to and including November 15, 2004, in which to file a Petition for Administrative Proceedings in the above-styled matter. As good cause for granting this request, Tampa Electric states the following:

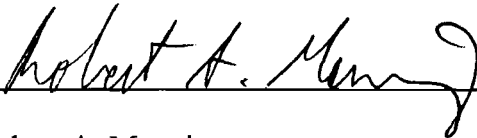

1. On or about October 1, 2004, Tampa Electric Company received from the Department of Environmental Protection ("Department") an "Intent to Issue Air Construction Permit and Title V Air Operation Permit Renewal" and accompanying "Draft Permit," (Draft Permit Nos. 0570039-016- AC and 0570039-017-AV), for the Big Bend Station, located in North Ruskin, Hillsborough County, Florida.
2. Based on Tampa Electric's initial review, the Draft Permit and associated documents contain several provisions that warrant clarification or corrections.
3. Tampa Electric and DEP are in the process of discussing possible resolutions to the issues needing clarification or correction.
4. The Department granted Tampa Electric's first Request for Enlargement of Time, allowing until November 1, 2004, to file a petition in this matter.

5. Tampa Electric is now requesting until November 15, 2004, in order to resolve remaining issues before the Departments's intended deadline to send all Title V renewals to the Environmental Protection Agency as proposed permits.

6. This second request is filed simply as a protective measure to avoid waiver of Tampa Electric's right to challenge certain conditions contained in the Draft Title V Permit. Grant of this request will not prejudice either party, but will further their mutual interest and hopefully avoid the need to file a Petition and proceed to a formal administrative hearing.

WHEREFORE, Tampa Electric Company respectfully requests that the time for filing of a Petition for Administrative Proceedings in regard to the Department's Intent to Issue Air Construction Permit and Title V Air Operation Permit Nos. 0570039-016- AC and 0570039-017-AV be formally extended to and including November 15, 2004.

I'll be meeting with Mike at 10 on the biggest issue out there on these Title V permits [for GRU, Progress Tiger Bay, Progress DeBary, OUC Stanton, Gulf Power's facilities, and FPL Sanford].

If the companies have not filed a NEW request for extension of time- there isn't anything for us to grant or deny yet [we do need to figure out if we can close the case and issue proposed or not]. I'll be sending everyone a note after this meeting with Mike on how we can proceed...

Thanks

REQUEST FOR ENLARGEMENT OF TIME

By and through undersigned counsel, Tampa Electric Company (Tampa Electric) hereby requests, pursuant to Florida Administrative Code Rule 62-110.106(4), an enlargement of time, to and including November 15, 2004, in which to file a Petition for Administrative Proceedings in the above-styled matter. Vickie, please grant Tampa Electric's requests through and including the November 12th. (The 15th is cutting it too close to issue a final Title V permit by December 30th.)

Al said that Trina suggested 30 days for Tarmac so let's give them through and including November 15th.

Thanks,

Hi,

Would you like to grant these extensions of time? If so, for how long?

Tampa Electric has requested through and including the 15th of November. Maybe the 12th would be better?

TARMAC has requested through the 29th of November.

Let me know how to proceed on these for you.

Thanks.

Vickie
