Date: Friday, March 23, 2012 1:09:28 PM

Lynn:

Please find response to your email, dated March 13, 2012.

- How many temporary construction jobs will be created? How long (months) will construction take?

Response: Approximately 10-12 temporary jobs will be created. The work will start around early July 2012 with foundation work and complete construction in October 2012.

- How many new permanent jobs will be created at the facility once the project is complete?

Response: No permanent jobs will be created for this project.

- How many new permanent local jobs will be created in the vicinity of the facility as a result of the project? What types of jobs will these be?

Response: No permanent jobs will be created for this project.

Best Regards,

(Rob) Robert Velasco, P.E., BCEE, QEP

All:

A new **Permit Application** has been received at FL Department of Environmental Protection Div. of Air Resource Management and is currently under review and can be viewed at <http://appprod.dep.state.fl.us/air/emission/apds/default.asp>.

If you have any problems accessing these documents please let me know. The following identifies your project number and permit application processor.

ARMS PA Project ID:	0570039-057-AC
Facility Name:	Big Bend Station
Florida County:	Hillsborough
Project Description:	Installation an emergency bypass conveyance system.
Permit Application Processor:	Marty Costello
Processor Phone:	(850) 717-9040
Processor Email Address:	martin.costello@dep.state.fl.us
Received in-house:	3/10/12

Please direct any questions regarding this permit application to the permit application processor identified above.

Job Information Needed

Application Contact: *Karen O. Zwolak*

Professional Engineer of Record: *Robert Velasco*

The division requests that the application contact and/or professional engineer of record answer the following questions on job creation regarding the project.

- How many temporary construction jobs will be created? How long (months) will construction take?
- How many new permanent jobs will be created at the facility once the project is complete?
- How many new permanent local jobs will be created in the vicinity of the facility as a result of the project? What types of jobs will these be?

Please direct the job information to me.

Thanks,

Lynn Searce
