Petitioner,

vs.

OGC CASE NO.: 12-1316

STATE OF FLORIDA DEPARTMENT
OF ENVIRONMENTAL PROTECTION ,

Respondents.

ORDER DENYING GRANTING REQUEST
FOR EXTENSION OF TIME TO FILE PETITION FOR HEARING

This cause came before the Florida Department of Environmental Protection (Department) upon receipt of a request made by the Petitioner, Tampa Electric Company, for an extension of time to file a petition for an administrative hearing on Draft Air Construction Permit No. 0570039-058-AC, for the Unit 3 and ESP Enhancements at the Big Bend Power Station. The Department rescinded the July 2, 2012, Notice of Intent, and issued a subsequent Notice of Intent on August 23, 2012. Therefore, the request for extension of time received on August 15, 2012, is now moot. Therefore,

IT IS ORDERED:

The request for an enlargement of time to file a petition for administrative proceeding is denied. The Department's file on this matter is now closed.

DONE AND ORDERED on this 28th day of **August, 2012**, in Tallahassee, Florida.
