RE: Permit Amendments for Tampa Electric Company's Air Pollution Sources as Follows:

- 1) F.J. Gannon Station Unit 1-4 Fly Ash Silo with Baghouse - AO29-160259
- 2) F.J. Gannon Station Units 5 and 6 Fly Ash Silo with Baghouse - AO29-160258
- 3) Big Bend Station Unit No. 1 and No. 2 Fly Ash Silo with Baghouse - AO29-160255
- 4) Big Bend Station Unit No. 3 Fly Ash Silo with Baghouse - AO29-161082

In response to Tampa Electric Company's (TECO) request and contingent upon the conditions agreed upon by the Department and TECO on Monday, January 29, 1990, the above-referenced operating air pollution permit for each corresponding source has been amended accordingly.

Enclosed herewith is the draft of each amendment for your review and issuance.
