**MEMORANDUM**

To: Trina Vielhauer

Through: Al Linero and Scott Sheplak *sls*

From: Tom Cascio *TC*

Date: February 17, 2006

Subject: **DRAFT Title V Permit Renewal No. 0570127-005-AV**  
**McKay Bay Refuse to Energy Facility**

This is a permit renewal for the subject facility. Control devices for the regulated pollutants are not subject to the CAM rule, as described in the Statement of Basis. The only change to the existing Title V permit is in the insignificant emissions unit appendix.

I recommend your signature and forwarding to Barbara for clerking.
