NOTICE OF PROPOSED AGENCY ACTION
The Department of Environmental Regulation gives notice of its intent to issue a permit to AMAX Phosphate, Inc. that will allow the Company to burn alternate fuels in the existing phosphate rock dryer and increase the hours of operation of their Big Four Phosphate Mine that is located near the intersection of State Road 674 and Bethel Road in Fort Lanesome, Hillsborough County, Florida. No major physical change in the process or control equipment is required for these modifications. The modifications will increase the emissions of air pollutants from the plant in tons per year by the following amounts: Particulate (2.8), Sulfur Dioxide (214), Nitrogen Oxides (57).
The proposed modification has been reviewed by the Florida Department of Environmental Regulation under Chapter 403, Florida Statutes, and federal regulation 40 CFR 52.21 Prevention of Significant Deterioration. A Best Available Control Technology determination was required for these modifications. Emissions from the modified facility will not impact the Hillsborough County particulate nonattainment area by a significant amount nor exceed the allowable increment consumption or cause an emblem air quality violation in other areas. The maximum percent of allowable PSD increment consumed will be as follows: SO2 Three-Hour 3%, SO2 24-Hour 70%, SO2 Annual 35%, Particulate Matter 24-Hour 44% and Particulate Matter Annual 15%.
A person who is substantially affected by the department's proposed permitting decision may request a hearing in accordance with Section 120.57, Florida Statutes and Chapter 173 and 120.55, Florida Administrative Code. The request for hearing must be filed (received) in the Office of General Counsel of the department at 2600 Blair Stone Road, Twin Towers Office Building, Tallahassee, Florida 32301, within (14) days of publication of this notice. Failure to file a request for hearing within this time period shall constitute a waiver of any right. Such person may have to request a hearing under Section 120.57, Florida Statutes. The Technical Evaluation and Preliminary Determination for the proposed projects is available for public inspection during normal business hours at the following locations:
Department of Environmental Regulation, BAQM, 2600 Blair Stone Road, Tallahassee, Florida 32301.
Department of Environmental Regulation, Southwest District, 7601 Highway 301, N, Tampa, Florida 33610.
Hillsborough County Environmental Protection Commission, 1900 9th Avenue, Tampa, Florida.
Any person may send written comments on the proposed action to Mr. Clair Fanczy at the department's Tallahassee address. All comments mailed within 30 days of the publication of this notice will be considered in the department's final determination.
