SUBJECT: TITLE V OPERATING PERMIT REVISION  
PERMIT NO. 0610029-008-AV

Dear Mr. Holtom,

The City of Vero Beach published a public notice of intent to issue a Title V Air Operation Permit Revision on July 4, 2008 in the Indian River County, Florida, Press Journal. As you know on July 11, 2008, the D.C. Circuit issued an opinion vacating CAIR. The City of Vero Beach is formally requesting that the CAIR Part not be sent to EPA in proposed form, and not be finalized at this time. Once the court's ruling is final, the City of Vero Beach requests that this permit-revision process be terminated, either by withdrawing the draft permit, returning our application or treating it as withdrawn. In the event the court's ruling is reheard or overturned on appeal, we can discuss how best to continue this permit-revision process, and whether additional language needs to be added to the Statement of Basis or Permit.

If you have any questions, please contact me at (772) 978-5051.

Sincerely,

  
James F. Stevens
