RE: FDEP FILE NO. 0610083-001-AC
CALPINE EASTERN CORPORATION
VERO BEACH 96-MW PEAKER PROJECT

Dear Al:

This correspondence is submitted on behalf of Calpine Eastern Corporation to notify FDEP that the above-referenced project will not be pursued at this time. This is principally a result of equipment availability for the timeframe originally planned for the project. In the future, it is the intent of Calpine Eastern Corporation to pursue a project with the City of Vero Beach, either as a separate facility or integrated with the existing plant. However, the type, extent, and relationship of such a project have not been determined at this time.

Please call if you have any questions.

Sincerely,

GOLDER ASSOCIATES INC.
