Good Afternoon,

Thank you for this opportunity to comment on the pre-draft permit. Please see INP BioEnergy and CDM's comments and edits in the attached word documents with tracked changes. I have also attached updated outputs from EPA TANKS 4.0.9d with the correct throughput for the product storage tank.

If you have any additional questions please do not hesitate to contact our office.

Thanks,

Subject: INEOS PRE-DRAFT Permit

Good Morning,

As we had discussed with INEOS, here is the unofficial, **pre-draft** permit, technical evaluation and appendices for the Indian River County facility air construction permit. In order to stay on our timeline and submit the official intent by the end of July, it would be most beneficial to have comments back by next Friday, July 23. If you have any questions, please contact myself, or Greg DeAngelo.

Thanks!

Tiffany Miesel
