*SUBJ: Request for Extension of Time
DEP File No. 0690046-002-AC*

Dear Ms. Phillips:

Please accept this correspondence as a request for an extension of time to formally respond to your letter of 12/1/98. In order to fully address the Department's comments, it is necessary to obtain additional data, including emissions data from stack testing. We believe that an additional 90 days should be sufficient to obtain the data and respond to your questions.

Thank you for your assistance in this matter. Please do not hesitate to contact Mr. Brian Bahor at (973) 882-7236 or Mr. Jason Gorrie at (973) 856-2917 if additional measures are necessary.

Sincerely,

Gary Crane

Dear Mr. Crane:

This letter is to inform you that your request has been granted for a 90-day extension of time to complete your response to my 12/1/98 request for additional information. My tracking system indicates that an extension of exactly 90 days would make the due date June 5, 1999, which is a Saturday. Therefore, I am extending your response deadline to Monday, June 7, 1999.

If you have any questions concerning this matter, please call me at (850)921-9534.

Sincerely,
