RE: MACT – Notification Information

SD

Dear Ms. Phillips:

This letter is to comply with the 112(j) notification information required by the Clean Air Act.

1. Munters Corporation, Facility ID No. 07100007, located at 108 Sixth Street SE, Fort Myers, Florida, has a Title V Permit and is a Major Source of Hazardous Air Pollutants. Munters manufactures humidification packs made from corrugated paper. Munters purchase paper rolls, impregnates the paper with a proprietary mix and corrugates the paper to make the packs. Munters also corrugates very small amounts of rigid PVC to form drift eliminators.
2. The industry type source category that pertains to Munters Corporation is Paper & Other Web and in a much lesser degree Plastic Parts.
3. The emission units under our permit that belong to the relevant industry type source categories listed above are:
Emission Unit 12 – Building #4 – Impregnation and Corrugation of Paper
Emission Unit 19 – Building #6 – Bonding of corrugated paper to form Packs
Emission Unit 20 – Building #10 – Bonding of corrugated PVC sheets
4. Section 112(g) MACT determination has NOT been made to any of the affected sources.

Sincerely,

Ian Cameron
Operation Manager, Munters Corporation
