**RE: Lee County Resource Recovery Facility**  
- Title V Final Permit No. 0710119-AV  
- PSD-FL-151D

Dear Mr. Holtom,

The Lee County Resource Recovery Facility (Facility) intends to conduct its annual compliance stack testing and relative accuracy test audit in January 2009 rather than in June of 2009. The Facility conducted its annual stack testing in June of 2008. As the scheduled compliance testing will be completed earlier in the 2009 calendar and fiscal year, the facility believes and seeks concurrence that this change in compliance test dates is acceptable.

If you have any questions regarding the enclosed material, please feel free to contact me. I can be reached during the day at (239) 337-2200 Ext. 4.

Sincerely,

George Ball-Ilovera  
General Manager
