**RE: Title V Permits No. 1290001-001-AV and 0730003-001-AV
Sam O. Purdom and Arvah B. Hopkins Generating Stations**

Dear Mr. Sheplak:

To ensure the most recent version of TV-1 is applied in the above-referenced Title V permits, the City of Tallahassee formally requests an administrative revision to those permits to include the December 2, 1997 version of Appendix TV-1. We would appreciate the Departments immediate consideration of this request to coincide with the January 1, 1998 effective date of each of these permits.

Thank you for your time and consideration in administering this revision. If you have any questions, please do not hesitate to call Jennette Curtis, Environmental Administrator, at 891-8850.

Sincerely,

Robert E. McGarrah
Production Superintendent
