Re: Notification of Initial Air Performance Testing
Combustion Turbine HC3 (EU-031)
City of Tallahassee
Arvah B. Hopkins Generating Station - Facility I.D. No. 0730003

Dear Sir / Madam:

Pursuant to Title V Air Construction Permit No. 0730003-005-AC for the Arvah B. Hopkins Generating Station, the City of Tallahassee will be conducting initial performance testing for carbon monoxide, oxides of nitrogen, volatile organic compounds, ammonia slip, and visible emissions on Combustion Turbine HC3 (EU-031) on August 30-31, 2005.

This correspondence serves to provide the Florida Department of Environmental Protection with advance notification pursuant to Specific Condition No. 23 of the above referenced Title V Air Construction Permit.

Please do not hesitate to contact John Powell, Environmental Engineer at (850) 891-8851, or me at (850) 891-8850, if you have any questions or require additional information.

Sincerely,

Jennette Curtis
Environmental Services Administrator
