Thanks David. I sent out an email to the group to see which date is best. I appreciate your efforts at coordination. As we discussed, I'll give you a call at 10 AM to go over your comments to see how we can best respond.

Subject: BG&E Meeting

Scott I left you a voice mail with this information. The best date and time for us up here to have the BG&E meeting is Thursday May 22nd at 10:00 am. I have tentatively reserved a conference room for the meeting. The backup date is Friday May 23rd at 1:00 pm. Let me know which of these dates and times you preferred and I will send out an Outlook meeting notice. As of now on our end, the people attending will be Trina, Debbie, Syed, Ronni, and I. Also let me now if you need a teleconference hookup on your end. As of right now I have not requested one.

Thanks
