SUBJECT: Monterey Boats - Williston Sport Boat Plant
Construction Permit Application

Dear Ms. Felton-Smith:

This is a follow up to your telephone conversation with Pradeep Raval regarding the above referenced construction permit application for Monterey's Sport Boat Plant.

As discussed with you, Monterey Boats plans to change boat components and production that will result in increased material usage. Accordingly, we are requesting an air permit modification for the existing facility (currently permitted under a FESOP).

Enclosed are four copies of a construction permit application, along with a check in the amount of \$5000 (application processing fee).

If you have any questions, do not hesitate to call Pradeep Raval or me.

Very truly yours,

KOOGLER & ASSOCIATES
