Re: Piney Point Phosphates, Inc.

Dear Doug:

I was not at all surprised to see the attached March 13, 1997 memo from Mr. Elias to Mr. Solomon.

I am curious how it came about. Do you know?

Sincerely,

Paul H. Amundsen

MEMORANDUM

RECEIVED

MAR 17 1997

TO: David Solomon
FROM: Donald F. Elias
DATE: March 13, 1997
SUBJECT: March 4, 1997 Correspondence

AMUNDSEN & MOORE

Enclosed is a revised copy of our March 4, 1997 letter to David Dee concerning the Piney Point Phosphate sulfuric acid plant modifications. All references to discussions with USEPA have been removed. It was not our intent to represent that USEPA had received or reviewed the entire case file regarding this issue, nor had issued a formal or informal opinion about this case. We regret if any misconceptions had occurred and formally request all recipients to replace and destroy the original copy of the March 4, 1997 letter.
