Attn.: Mr. Alan Zahm, Air Permitting Supervisor

Mr. Zahm:

Please find the attached Air General Permit Notification Form (Part III. Notification to Permitting Office). We are applying for coverage under the Air General Permit for our Ocala Ready Mix plant. We anticipate opening for business October 1, 1998. Please also find the enclosed application fee of \$100. I will be publishing a notice of intent to use the general permit in an Ocala area newspaper within 14 days as required by Procedures For Use of Air General Permit. This notification will be forwarded to your office within 7 days of publishing.

If you have any questions, or I can be of further assistance, please feel free to contact me at (352)-376-2182 and I will be happy to assist you.

Sincerely,

A handwritten signature in black ink, appearing to read "William Simmons", with a long horizontal line extending to the right.

William Simmons  
Operations Manager, North Central Division
