SUBJECT: Air Permit No. 0830137-003-AC  
Merillat Corporation  
Merillat Ocala Plant – Addition of 4<sup>th</sup> Finishing Line

The Final Permit for this project is attached for your approval and signature, which authorizes the construction of a 4<sup>th</sup> finishing line at the existing Merillat Ocala Plant, which manufactures wood kitchen and bath cabinets. The project results in a minor source air construction permit and is not subject to PSD preconstruction review.

The Department distributed an "Intent to Issue Permit" package on June 6, 2005. The applicant published the "Public Notice of Intent to Issue" in the Ocala Star Banner on June 13, 2005. The Department received the proof of publication on June 17, 2005. No petitions for administrative hearings or extensions of time to petition for an administrative hearing were filed.

Day #90 is August 10, 2005. I recommend your approval of the attached Final Permit for this project.
