Cindy, we have reviewed the proposed Title V permit renewal draft and do not have any comments, as the content is consistent with our preliminary discussions and application submittals. We truly appreciate the quick updating of permit terms and appropriate referencing of newly applicable rules (such as Subpart ZZZZ) identifying upcoming compliance dates. Thank you,

Hi, Joe,

Yes, tomorrow is fine. But I'm not sure which letter you want me to forward to you.

Cindy, could you hold this for another day? I was out of town last week, but I should be able to review the draft today and provide comments by tomorrow morning. If possible, could you also forward a copy of the letter that was sent to Mr. Terhune? Thanks, - Joe
