

CONCRETE BATCHING PLANT  
AIR GENERAL PERMIT NOTIFICATION FORM

D.E.P.  
JUN 01 2000  
SOUTHWEST DISTRICT  
TAMPA

Notice Faxed on 5-31-00  
JMA

**Part III. Notification of Intent to Use General Permit**

(Submit this Part to the appropriate permitting office and keep copy of completed form onsite. Instructions follow.)

**Instructions to Owner or Operator:** To give notice to the Department of an eligible facility's intent to use the concrete batching plant air general permit, the owner or operator of the facility must detach and complete Part III of this Concrete Batching Plant Air General Permit Notification Form and submit it to the appropriate Department of Environmental Protection district office or local air pollution control program office which has been delegated permitting authority. Please type or print clearly all information and enclose the appropriate general permit processing fee pursuant to Rule 62-4.050(4)(o), F.A.C. Please note, the form will not be considered complete unless: 1) the processing fee is attached; 2) if appropriate, the proof of notice publication is attached; and 3) if the facility is existing, visible emissions testing was conducted within 60 days of submitting the form and the test results have already been submitted to the appropriate permitting authority or accompany the form. Also, please refer to the instructions for completing Part III of the notification form at the end of the form.

**General Facility Information**

**Facility Comments**

<p>The proposed Grayco 484 Redi Mix is a concrete batch plant that will utilize modern technologies in batch plant operations through the use of new equipment manufactured by TEMCO. The equipment consists of the following:</p> <ul style="list-style-type: none"><li>(1) concrete silo with emission collector</li><li>(1) fly ash silo with emissions collector</li><li>(1) multiple bin rock and sand hopper</li></ul> <p>The plant will combine fly ash, cement, sand, rock and water to produce "redi-mix" concrete for use in the commercial concrete market.</p> <p>Grayco 484 is proposing to operate from 5:00am – 6:00pm daily.</p>
--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

**Emissions Unit(s) Description**

Both the concrete silo and the fly ash silo will be equipped with the following top seated emission unit:

Manufacturer: TEMCO  
Type: Pulse Jet  
Size: 32" diameter x 48" high  
Fabric: 210 square feet of polyurethane fabric  
Loading rate: 15 lb per square inch

**Surrender of Existing Air Permit(s)**

Check one:

- I hereby surrender all existing air permits authorizing operation of the facility indicated on this form; specifically permit number(s) \_\_\_\_\_.
- No air permits currently exist for the operation of the facility indicated on this form.

**Owner/Authorized Representative Statement**

*I, the undersigned, am the owner or authorized representative of the owner or operator of the facility addressed in this Air General Permit Notification Form. I hereby certify, based on information and belief formed after reasonable inquiry, that the statements made in this notification are true, accurate and complete. Further, I agree to operate and maintain the air pollutant emissions units and air pollution control equipment described in this notification so as to comply with all applicable standards for control of air pollutant emissions found in the statutes of the State of Florida and rules of the Department of Environmental Protection and revisions thereof.*

*I will promptly notify the Department of any changes to the information contained in this notification.*

**NOTICE OF APPLICATION FOR A GENERAL PERMIT, STATE OF FLORIDA, DEPARTMENT OF ENVIRONMENTAL PROTECTION**

The Florida Department of Environmental Protection gives notice of its intent to issue an air general permit for the construction of a concrete batching operation to Grayco Ready Mix, Inc. for the Grayco 484 plant located approximately 1/2 mile west of Interstate 75 on the south side of County Highway 484. The applicant's name and address are: Grayco Ready Mix, Inc., 3510 NE Highway 315, Silver Springs, Florida 34488.

The Department will issue the permit with the attached conditions unless a timely petition for an administrative hearing is filed pursuant to Sections 120.569 and 120.57 of the Florida Statutes before the deadline for filing a petition. The procedures for petitioning for a hearing are set forth below.

A person whose substantial interests are affected by the Department's proposed permitting decision may petition for an administrative proceeding under Sections 120.569 and 120.57 of the Florida Statutes. The petition must contain the information set forth below and must be filed (received) in the Office of General Counsel of the Department, 3900 Commonwealth Boulevard, mail Station 435, Tallahassee, Florida 32309-3000, telephone: 850/488-9730, fax: 850/487-4938.

Petitions filed by any persons other than those entitled to written notice under section 120.603(1) of the Florida Statutes, must be filed within 21 (twenty-one) days of publication of the notice or receipt of the written notice, whichever occurs first. The petitioner shall mail a copy of the petition to the applicant at the address indicated above, at the time of filing. The failure of any person to file a petition within the appropriate time period shall constitute a waiver of that person's right to request an administrative determination (hearing) under Sections 120.569 and 120.57 of the Florida Statutes, or to intervene in this proceeding and participate as a party to it. Any subsequent intervention (in a proceeding initiated by another party) will be only at the approval of the presiding officer upon the filing of a motion in compliance with Rule 28-106.205 of the Florida Administrative Code.

A petition that disputes the material facts on which the Department's action is based must contain the following information: (a) The name and address of each agency affected and each agency's file or identification number, if known; (b) The name, address, and telephone number of the petitioner, the name, address, and telephone number of the petitioner's representative, if any, which shall be the address for service purposes during the course of the proceeding; and an explanation of how the petitioner's substantial interests will be affected by the agency determination; (c) A statement of how and when petitioner received notice of agency action or proposed action; (d) A statement of all disputed issues of material fact, if there are none, the petition must so indicate; (e) A concise statement of the ultimate facts alleged, as well as the rules and statutes which entitle the petitioner to relief; and (f) A demand for relief. A petition that does not dispute the material facts on which the Department's action is based shall state that no such facts are in dispute and otherwise shall contain the same information as set forth above, as required by Rule 28-106.301 of the Florida Administrative Code.

Because the administrative hearing process is designed to formulate final agency action, the filing of a petition means that the Department's final action may be different from the position taken by it in the notice. Persons whose substantial interest will be affected by any such final decision of the Department on the application have the right to petition to become a party to the proceeding, in accordance with the requirements set forth above.

Mediation is not available in this proceeding. Any party to this order has the right to seek judicial review of it under section 120.68 of the Florida Statutes, by filing a notice of appeal under rule 3.110 of the Florida rules of Appellate Procedure with the clerk of the Department of Environmental Protection in the Office of General

Counsel, Mail Station 35, 3900 Commonwealth Boulevard, Tallahassee, Florida, 32309-3000, and by filing a copy of the notice of appeal accompanied by the applicable filing fees with the appropriate district court of appeal. The notice must be filed within thirty days after this order is filed with the clerk of the Department. This application is being processed and is available for public inspection during normal business hours, 8:00 a.m. to 5:00 p.m., Monday through Friday, except legal holidays, at Florida Department of Environmental Protection, 3844 Coconut Palm Drive, Tampa, Florida 33619.
