**SUBJECT: NOTIFICATION OF SHUTDOWN  
HYDRO SPA – OCALA FACILITY  
ARMS ID No.: 0830151**

Dear Sirs:

This is to formally inform you that the Hydro Spa Ocala Facility has been shutdown and has ceased with the operation of production of pool spas as was authorized via permits 0830151-001-AC thru 0830151-002-AV. This notification is thus also to inform you that these permits are being surrendered to the issuing authority and it is requested that they are all rescinded as well. The required statement of compliance is attached with the operating and emissions data up to the shutdown time.

Should you have any questions please feel free to contact me at 727-573-9611.

**RESPONSIBLE OFFICIAL CERTIFICATION**

I, the undersigned, am a responsible official (Title V air permit application or responsible official notification form on file with the Department) of the Major HAP source for which this document is being submitted. With respect to requirements of 40 CFR Part 63, Subpart WWWW requirements applicable to the above facility, I hereby certify, based on the information and belief formed after reasonable inquiry, that the statements made and data contained in this document are true, accurate, and complete.

**COMPLIANCE STATEMENT (Check only one of the following three options)**

- X   **A.** This facility was in compliance with all terms and conditions of the Title V Air Operation Permit and, if applicable, the Acid Rain Part, and there were no reportable incidents of deviations from applicable requirements associated with any malfunction or breakdown of process, fuel burning or emission control equipment, or monitoring systems during the reporting period identified above.
- B.** This facility was in compliance with all terms and conditions of the Title V Air Operation Permit and, if applicable, the Acid Rain Part; however, there were one or more reportable incidents of deviations from applicable requirements associated with malfunctions or breakdowns of process, fuel burning or emission control equipment, or monitoring systems during the reporting period identified above, which were reported to the Department. For each incident of deviation, the following information is included:
1. Date of report previously submitted identifying the incident of deviation.
  2. Description of the incident.
- C.** This facility was in compliance with all terms and conditions of the Title V Air Operation Permit and, if applicable, the Acid Rain Part, EXCEPT those identified in the pages attached to this report and any reportable incidents of deviations from applicable requirements associated with malfunctions or breakdowns of process, fuel burning or emission control equipment, or monitoring systems during the reporting period identified above, which were reported to the Department. For each item of noncompliance, the following information is included:
1. Emissions unit identification number.
  2. Specific permit condition number (note whether the permit condition has been added, deleted, or changed during certification period).
  3. Description of the requirement of the permit condition.
  4. Basis for the determination of noncompliance (for monitored parameters, indicate whether monitoring was continuous, i.e., recorded at least every 15 minutes, or intermittent).
  5. Beginning and ending dates of periods of noncompliance.
  6. Identification of the probable cause of noncompliance and description of corrective action or preventative measures implemented.
  7. Dates of any reports previously submitted identifying this incident of noncompliance.

For each incident of deviation, as described in paragraph B. above, the following information is included:

1. Date of report previously submitted identifying the incident of deviation.
2. Description of the incident.

**RESPONSIBLE OFFICIAL CERTIFICATION**

I, the undersigned, am a responsible official (Title V air permit application or responsible official notification form on file with the Department) of the Title V source for which this document is being submitted. With respect to all matters other than Acid Rain program requirements, I hereby certify, based on the information and belief formed after reasonable inquiry, that the statements made and data contained in this document are true, accurate, and complete.
