SPECIAL INSTRUCTIONS: Kim, As you can see from the attached letter, I'm having a rather difficult time with what ought to be a simple task. I faxed this letter to the newspaper today, so it will be there Monday a.m. Also attached is the affidavit that I do have so far, for your files. I'll keep plugging!

Re: Proof of Publication of Legal Advertisement

Dear Ms. Rosemont:

I am writing in reference to the legal advertisement which I requested to be published in the Stuart News in June. As you know, I did not receive the proof of publication of the ad. In a subsequent call to the paper, I requested a second copy to be sent. The information I received, however, did not include a copy of the actual advertisement, which is what I need. This advertisement was for an environmental permit change, and the Florida Department of Environmental Protection requires an actual copy of the published advertisement.

As you may recall, I then spoke to you and requested the proof of publication yet again. You promised to send me out another complete package; however I have not yet received it. In the meantime, I have (miraculously) received your invoice number 224055 (second notice) with an amount due of \$157.75.

I will be happy to process this invoice once I have received the proof of publication. Until I do, my internal procedures do not allow me to process the invoice.

I suggest that my name be included on the envelope address to ensure that I receive it. Thank-you for your assistance.

Very truly yours,

A handwritten signature in cursive script that reads "Richard Piper".
