Marathon, FL 33050

Re: Air emissions test notification (Permit No. 0870004-004-AC, PSD-FL-285).

20 November 2000

Dear Mr. Edds:

Florida Keys Electric Cooperative, Inc. (FKEC) will be testing its new diesel generator (Unit No. 9) on 20 - 22 December 2000. The tests will be conducted at FKEC's Marathon Generating Plant, 3421 Overseas Highway, Marathon, FL 33050. The testing will be conducted by South Florida Environmental Services (telephone 561/687-5300).

The emissions test contact person at the Generating Plant is Paul Schenk, Project Manager. Mr. Schenk can be reached at his cellular phone (305/393-0690) or at the Marathon Generating Plant number (305/743-5323).

This letter constitutes 30-day written notification to the Permitting Authority of the emissions testing dates. Please call me if you require further information.

Sincerely,

Deborah A. Shaw, Ph.D.
Director of Environmental Affairs
