BUREAU OF
AIR REGULATION

To Whom It May Concern:

This communication should suffice as the required 30 day notification of refilling of a storage tank after performing the inspections required when a NSPS Subpart Kb tank is emptied and degassed.

CITGO is currently addressing some unscheduled maintenance issues with Storage Tank 2 and will be doing a full inspection of the tank over the next few weeks. CITGO anticipates that the tank will be refilled on March 27, 2011.

Should any additional technical information regarding this notification be needed, please contact William B. Lee III for additional guidance. Mr. Lee can be reached via telephone at (770) 455-6964 or via email at wlee@citgo.com.

Respectfully,

Jay Goss
