PUBLIC NOTICE OF INTENT  
TO ISSUE A COMBINED AIR  
CONSTRUCTION PERMIT/TITLE V  
OPERATION PERMIT REVISION  
STATE OF FLORIDA  
DEPARTMENT OF ENVIRONMENTAL PROTECTION

Air Construction Permit No.: 0950111-016-AC  
Title V Operation Permit Revision No.: 0950111-017-AV  
Walt Disney World Resort Complex  
Orange and Osceola Counties

The Department of Environmental Protection (permitting authority) gives notice of its intent to issue a combined Air Construction Permit/Title V Operation Permit Revision to Walt Disney World Co. for the Walt Disney World Resort Complex located at 1375 Lake Buena Vista Orange and Osceola Counties. The applicant's name and address are: Walt Disney World Co., P.O. Box 10,000, Lake Buena Vista, Florida 32830-1000.

The permitting authority will issue the combined Draft Air Construction Permit/Title V PROPOSED Operation Permit Revision and subsequent combined Final Air Construction Permit/Title V FINAL Operation Permit Revision in accordance with the conditions of the combined Draft Air Construction Permit/Title V DRAFT Operation Permit Revision unless a response received in accordance with the following procedures results in a different decision of significant change of terms or conditions. The permitting authority has determined that a combined Air Construction Permit/Title V Operation Permit Revision are required in order to: 1) re-classify several emissions units/activities as unregulated; 2) to acknowledge the shutdown of some emissions units/activities 3) to clarify some compliance issues associated with the combustion turbine and associated duct burner-heat recovery steam generator; and 4) to incorporate some permitting actions recently completed, which includes the installation of some natural gas fired hot water generators, paint spray booths, Disney's Animal Kingdom animal crematory and the "Tree of Life" natural gas fired boiler. This permitting action will also recognize the request to install additional natural gas fired hot water generators at Disney's All Star Resort.

The permitting authority will accept written comments concerning the proposed combined Draft Air Construction Permit/Title V DRAFT OPERATION Permit Revision issuance action for a period of 30 (thirty) days from the date of publication of this Notice. Written comments should be provided to the Department's Bureau of Air Regulation 2600 Blair Stone Road, Mail Station #5505, Tallahassee, Florida 32399-2400. Any written comments filed shall be made available for public inspection. If written comments received result in a significant change in this combined Draft Air Construction Permit/Title V DRAFT Operation Permit Revision the permitting authority shall issue a combined Revised Draft Air Construction Permit/Title V DRAFT Operations Permit Revision and require, if applicable, another Public Notice.

A person whose substantial interests are affected by the proposed permitting decision may petition for an administrative hearing in accordance with Sections 120.569 and 120.57 of the Florida Statutes (F.S.). The petition must contain the information set forth below and must be filed (received) in Office of General Counsel of the Department of Environmental Protection, 3900 Commonwealth Boulevard, Mail Station #35, Tallahassee, Florida 32399-3000. (Telephone: 850/488-9730, Fax: 850/487-4938). Petitions filed by any persons other than those entitled to written notice under Section 120.60(3), F.S. must be filed within fourteen days of publication of the public notice or within fourteen days of receipt of the notice of intent,

whichever occurs first. Under Section 120.60(3) F.S., however, any person who asked the permitting authority for notice of agency action may file a petition within fourteen days of receipt of that notice, regardless of the date of publication. A petitioner shall mail a copy of the petition to the applicant at the address indicated above, at the time of filing. The failure of any person to file a petition within the applicable time period shall constitute a waiver of that person's right to request an administrative determination (hearing) under Sections 120.569 and 120.57, F.S. or to intervene in this proceeding and participate as a party to it. Any subsequent intervention will be only at the approval of the presiding officer upon the filing of a motion in compliance with Rule 28-106.205, F.A.C.

A petition that disputes the material facts on which the permitting authority's action is based must contain the following information:

- (a) The name, address and telephone number of the petitioner; name address and telephone number of the petitioner's representative, if any, which shall be the address for service purposes during the course of the proceeding and an explanation of how petitioner's substantial rights will be affected by the agency determination;
- (b) A statement of how and when the petitioner received notice of the agency action or proposed action;
- (c) A statement of all disputed issues of material fact. If there are none, the petition must so state;
- (d) A concise statement of the ultimate facts alleged as well as the rules and statutes which entitle petitioner to relief; and
- (e) A demand for relief.

A petition that does not dispute the material facts upon which the permitting authority's action is based shall state that no such facts are disputed and otherwise shall contain the same information as set forth above, as required by Rule 28-106.301, F.A.C.

Because the administrative hearing process is designed for formulate final agency action, the filing of a petition means that the permitting authority's final action may be different from the position taken by it in this notice of intent. Persons whose substantial interests will be affected by any such final decision of the permitting authority on the application have the right to petition to become a party to the proceeding, in accordance with the requirements set forth above.

Mediation is not available for this proceeding. In addition to the above, pursuant to 42 United States Code (U.S.C.) Section 7661d(b)(2), any person may petition the Administrator of the EPA within 60 (sixty) days of the expiration of the Administrator's 45 (forty-five) day review period as established at 42 U.S.C. SECTION 7661d(b)(1), to object to issuance of any permit. Any petition shall be based only on objections to the permit that were raised with reasonable specificity during the 30 (thirty) day public comment period provided in this notice unless the petitioner demonstrates to the Administrator of the EPA that it was impracticable to raise such objections within the comment period or unless the grounds for such objection arose after the comment period. Filing of a petition with the Administrator of the EPA does not stay the effective date of any permit properly issued pursuant to the provisions of Chapter 62-213, F.A.C. Petitions filed with the Administrator of EPA must meet the requirements of 42 U.S.C. Section 7661d(b)(2) and must be filed with the Administrator of the EPA at: U.S. EPA, 401 M. Street, S.W. Washington, D.C. 20460
