S.S. BUREAU OF AIR REGULATION

RECEIVED

NOV 21 2006

Before the undersigned authority, personally appeared Rachael Washington, who on oath says that he/she is the Legal Advertising Representative of Orlando Sentinel, a daily newspaper published at Orlando in Orange County, Florida; that the attached copy of advertisement, being a PUBLIC NOTICE OF INTENT TO ISSUE TITLE V AIR OPERATION PERMIT in the matter of XXXXXX #0950111-027-AV in the Orange Court, was published in said newspaper in the issue; of 11/03/06

Affiant further says that the said Orlando Sentinel is a newspaper published at Orlando, in said Orange County, Florida, and that the said newspaper has heretofore been continuously published in said Orange County, Florida, each Week Day and has been entered as second-class mail matter at the post office in Orlando in said Orange County, Florida, for a period of one year next preceding the first publication of the attached copy of advertisement; and affiant further says that he/she has neither paid nor promised any person, firm or corporation any discount, rebate, commission or refund for the purpose of securing this advertisement for publication in the said newspaper.

The foregoing instrument was acknowledged before me this 5 day of November, 2006, by Rachael Washington, who is personally known to me and who did take an oath.

(SEAL)

Petitioner: A person whose substantial interests are affected by the proposed permitting decision may petition for an administrative hearing. The hearing shall be held in accordance with Sections 120.569 and 120.57, F.S., the procedures set forth below and must be filed with the Department of Environmental Protection, Bureau of Air Regulation, 2600 Blair Stone Road, Mail Station #35, Tallahassee, Florida 32399-3000. Petitions filed by persons other than the petitioner shall be filed within fourteen (14) days of publication of this Public Notice. Section 120.60(3), F.S., however, any person who asked the Permitting Authority for notice of agency action may file a petition within fourteen (14) days of receipt of that notice. Regardless of the date of publication, a petitioner shall indicate above, at the time the applicant at the address person to file a petition within the appropriate time or request an administrative determination (hearing) under Sections 120.569 and 120.57, F.S., or to intervene in this proceeding and participate as a party to it. Any subsequent intervention will be only at the approval of the presiding officer under the provisions of Rule 28.106, F.A.C. A petition, in compliance with Rule 28.106, F.A.C., shall contain the following information: (a) The name and address of each agency affected and each agency's file or identification number, if known; (b) The name, address and telephone number of the petitioner; (c) The name, address and telephone number of the petitioner's representative, if any, and the address for service purposes during the course of the proceeding; (d) An explanation of how the petitioner's substantial rights will be affected by the agency determination; (e) A statement of the petitioner's proposed action; (f) A statement of the petitioner's proposed action, if there are none; (g) A statement of the petitioner's proposed action, if there are none, that does not dispute the material facts upon which the Permitting Authority's action is based shall state that no such facts are in dispute and otherwise shall contain the same information as set forth above, as required by Rule 28.106.50, F.A.C., because the administrative hearing is a final action to formulate final agency action, the filing of a petition may be different from the petitioner's final action may be different from the petitioner's substantial interests will be affected by any such final decision of the Permitting Authority on the application have the right to petition to become a party to the proceeding, in accordance with the requirements set forth above.

Mediation: Mediation is not available for this proceeding.

Objections: In addition to the above right to petition, pursuant to 42 United States Code (U.S.C.) Section 7616(b)(2), any person may petition the Administrator of the EPA within thirty (30) days of the expiration of the Administrator's U.S.C. Section 7616(b)(1) review period as established at 42 U.S.C. Section 7616(b)(1). Any petition shall include any objections to the permit. Any objections shall be filed with the Permitting Authority during the thirty (30) day public comment period provided in the Public Notice, unless the petitioner demonstrates to the Administrator of the EPA that the permit is not practicable to raise such objections within the comment period. For more information on such objections, contact the Administrator of the EPA. Petitions filed with the Administrator of the EPA must meet the requirements of Chapter 170.001, F.A.C. and must be filed with the Administrator of the EPA, U.S. EPA, 401 M Street, S.W., Washington, D.C. 20460. For more information regarding EPA review and objections, visit EPA's Region 4 web site at <http://www.epa.gov/region4/air/permits/flor.htm>.

PUBLIC NOTICE OF INTENT TO ISSUE TITLE V AIR OPERATION PERMIT

Department of Environmental Protection
DRAFT Title V Air Operation Permit Revision
No. 0950111-027-AV
Walt Disney World Resort
Complex Orange and Osceola Counties

Applicant: The applicant for this project is the Walt Disney World Company, P.O. Box 10,000 Lake Buena Vista, Florida. The applicant's responsible official is Mr. Lee Schumde.

Facility Location: The applicant operates the Walt Disney World Resort Complex, which is located at 1375 Buena Vista Drive, Orange and Osceola Counties, Florida. The facility is a complex of hotels, theme parks and support facilities, and a utility. The various air pollution sources are boilers, a combined cycle combustion turbine with a natural gas-fired heat recovery steam generator, paint spray booths and associated operations, external combustion oil heaters and hot water heaters.

Project: The applicant submitted an application for a Title V Air Operation Permit Revision, The Reddy Creek Improvement District operates an electrical generating plant at the Walt Disney World Resort Complex. The purpose of this revision is to incorporate the specific conditions of the construction permits 0950111-025-AC and 0950111-026-AC, the authorized replacement of the existing General Electric LM 5000 gas turbine (EU-088) with an LM 6000PC gas turbine with SPRINTTM.

Permitting Authority: Applications for Title V air operation permits are subject to review in accordance with the provisions of Chapter 403, Florida Statutes (F.S.) and Chapters 62-4, 62-210, and 62-213 of the Florida Administrative Code (F.A.C.). The proposed project is not exempt from air permitting requirements and an air permit is required to operate the facility. The Department of Environmental Protection, Bureau of Air Regulation, is the Permitting Authority responsible for making a permit determination regarding this project. The Permitting Authority's physical address is: 111 South Magnolia Drive, Suite 4, Tallahassee, Florida 32301. The Permitting Authority's mailing address is: 2600 Blair Stone Road, Mail Station #5505, Tallahassee, Florida 32399-2400. The Permitting Authority's telephone number is 850/488-0114 and the facsimile number is 850/922-6979.

Project File: A complete project file is available for public inspection during the normal business hours of 8:00 a.m. to 5:00 p.m., Monday through Friday (except legal holidays), at address indicated above for the Permitting Authority. The complete project file includes the DRAFT Permit, the Statement of Basis, the application, and the information submitted by the applicant, exclusive of confidential records under Section 403.111, F.S. Interested persons may view the DRAFT Permit and file electronic comments by visiting the following website: <http://www.dep.state.fl.us/air/products/ards/>. A copy of the complete project file is also available at the Air Resource Section of the Department's Central District Office at 3319 Maguire Boulevard, Suite 232, Orlando, Florida 32803-3767. (Telephone: 407/894-7555).

Notice of Intent to Issue A Permit: The Permitting Authority gives notice of its intent to issue a permit to the applicant for the project described above. The applicant has provided reasonable assurance that operation of the facility will not adversely impact air quality and that the project will comply with all appropriate provisions of Chapters 62-4, 62-204, 62-210, 62-212, 62-213, 62-214, 62-296, and 62-297, F.A.C. The Permitting Authority will issue a PROPOSED Permit and subsequent FINAL Permit in accordance with the conditions of the DRAFT Permit unless a response received in accordance with the following procedures results in a different decision or a significant change of terms or conditions.

Comments: The Permitting Authority will accept written comments concerning the DRAFT Permit for a period of thirty (30) days from the date of publication of this Public Notice. Written comments must be post-marked and all e-mail or facsimile comments must be received by the close of business (5 pm) on or before the end of this 30-day period by the Permitting Authority at the above address, email or facsimile. As part of his or her comments, any person may also request that the Permitting Authority hold a public meeting on this permitting action. If the Permitting Authority determines there is sufficient interest, and location, meeting, it will publish notice of the time, date, and location of the meeting in the Florida Administrative Weekly (<http://law.dos.state.fl.us/>) and in a newspaper of general circulation in the area affected by the permitting action. For additional information, contact the Permitting Authority at the above address or phone number. If written comments or objections received at a public meeting result in a significant change to the DRAFT Permit, the Permitting Authority shall issue a Revised DRAFT Permit and require, if applicable, another Public Notice. All comments filed will be made available for public inspection.
