CERTIFIED MAIL - RETURN RECEIPT REQUESTED

Mr. John Wolber, Project Scientist
Harding Lawson Associates
4763 South Conway Road
Orlando, Florida 32812

Dear Mr. Wolber:

Re: Foamex, L.P.

Confirming our June 12 conversation, the Department will need an application fee before we can process the request to modify the Foamex air permit. For a modification resulting in an 85 TPY increase in air pollutant emissions, the fee is \$4,500.

Also, Specific Condition No. 5 of permit No. 48-214902 for this facility required stack tests to confirm the emission factors used in the application. Has this condition been complied with?

If you have any questions on these matters, please call me at (904) 488-1344.

Sincerely,

Willard Hanks
Review Engineer
