Cane Island Facility - Unit 1 - Request for Permit Modification  
Your letter of June 22, 1998

Dear Mr. Sharma:

The Department has reviewed Kissimmee Utility Authority's (KUA) letter dated June 22, 1998, in response of the Department's letter dated April 16, 1998. Based on our review of the June 22 letter and considering your response to Question 1 of this letter, we have decided, before taking Department action in your request, to wait until the final results of the 1998 dual performance tests of the LM6000PD machine are available. Please submit these GE test results as soon as they are available to you.

We will continue evaluating the additional information provided to us by G.E on its presentation of July 9, 1998 and the KUA information dated April 15, 1998. As of today, your application remains incomplete. If you have any questions regarding this matter, please contact Ms. Teresa Heron at (850)921-9529.

Sincerely,

A. A. Linero, P.E.
