PUBLIC NOTICE OF INTENT
TO ISSUE
AIR CONSTRUCTION PERMIT
AMENOMENT
STATE OF FLORIDA
DEPARTMENT OF ENVIRONMENTAL PROTECTION
DRAFT Permit Amendment No.
0970043-003-AC. (PSD-FL-182)
Testung Requirement at Cane island Faculty
Osciola County
The Department of Environmental Protection (Department)
gives notice of its intent to issue
an air construction permit
amendment to Kissimmea Utility
Authority for the Testing Requirement at Cane Island Facili-

gurement at Cane Island Facility Iocated near Intercession City, Oscoela County. A Best Adhievable Control Technology (BACT) determination was not reducted. The amendment will not result in an increase in any emissions from the facility, and will not cause a wolation of any state or rederal ambient air quality standards or increments. The applicant's name and address are kissimmee Utility Authority. (KUA). 1701 West Carroll Street. Kissimmee, Florica 34741 The amendment makes the following changes: compolitiance with the nitrogen oxide (FIOx) emission from the mitrogen oxide continuous emissions monitor (CEM) instead of the variety and annual completione resting for nitrogen cycle; resting for

testing for introgen cycle; removes the requirement for annual testing for particulate maters, sulfure need mist and VOC; and specifies that measured 100 emissions shall not be ISO corrected for comparison with the BACT standard. The unit burns natural gas, an innerently clean fuel, and very low solutifies of the very continuous for syllatole. The continuous monitoring method of committees and specifies to an annual since is superior to an annual since is superior to an annual

monitoring method of compil-ance is superior to an annual test. AUA has already demon-strated very low emissions of pan curate matter, suffure acid and VOC due to curning of clean fuels. The new pasis for compilance with the NOx limit is consistent with Department guidance.
