Re: Okeelanta Sugar Mill and Refinery
Facility ID No. 0990005
Specialty Sugar Product

Dear Mr. Lima:

This letter is to acknowledge receipt of a letter dated March 15, 2010 from Golder Associates Inc. on behalf of the Okeelanta Sugar Mill and Refinery. The letter states that the plant will be installing a 300 horsepower gas-fired boiler and bin filter to produce new specialty sugar product. You have determined that the boiler meets the categorical exemption criteria in Rule 62-210.300(3)(a)34 of the Florida Administrative Code (F.A.C.) and the bin filter meets the generic exemption criteria in Rule 62-210.300(3)(b)1, F.A.C. We will file this letter with other permit-related correspondence. If you have any questions, please call Jeff Koerner at 850-921-9536.

Sincerely,

Trina Vielhauer, Chief
Bureau of Air Regulation

TLV/jfk

Dear Sir/Madam:

Please send a "reply" message verifying receipt of the attached document(s); this may be done by selecting "Reply" on the menu bar of your e-mail software, *noting that you can view the documents*, and then selecting "Send". We must receive verification of receipt and your reply will preclude subsequent e-mail transmissions to verify receipt of the document(s).

The document(s) may require immediate action within a specified time frame. Please open and review the document(s) as soon as possible.

The document is in Adobe Portable Document Format (pdf). Adobe Acrobat Reader can be downloaded for free at the following internet site: <<http://www.adobe.com/products/acrobat/readstep.html>> .

The Bureau of Air Regulation is issuing electronic documents for permits, notices and other correspondence in lieu of hard copies through the United States Postal System, to provide greater service to the applicant and the engineering community. Please advise this office of any changes to your e-mail address or that of the Engineer-of-Record.

Thank you,

Sylvia Livingston
