Re: Title V Air Operation Permit Renewal, DRAFT Permit Project No.: 0990019-008-AV
Title V Air Operation Permit Revision Application, DEP Project No.: 0990019-009-AV
Osceola Farms Company

Dear Mr. Rionda:

On November 9, 2006 the Florida Department of Environmental Protection ("Department") issued to you an Intent to Issue and a Revised Draft Title V Air Operation Renewal Permit for Osceola Farms Company.

On September 14, 2006, the Department received your application for a Title V Air Operation Permit Revision for Osceola Farms Company (DEP Project No.: 0990019-009-AV). On October 9, 2006, this permit revision application was determined to be incomplete. The application was determined to be complete when the Department received the requested information on October 19, 2006.

After reviewing Osceola Farm Company's Title V Air Operation Permit Revision application (DEP Project No.: 0990019-009-AV), the Department considers the Title V Air Operation Permit Revision application to be a major change to Osceola Farm Company's Title V Air Operation Permit Renewal application (DEP Project No.: 0990019-008-AV). Therefore, the Department withdraws the November 9, 2006 Intent to Issue and Revised Draft Title V Air Operation Renewal Permit for Osceola Farms Company. The Department will be processing the requested revision (DEP Project No.: 0990019-009-AV) as a major change to the renewal application (DEP Project No.: 0990019-008-AV).
