Subject: Designated Representative/Authorized Representative
City of Lake Worth Utilities, Tom G. Smith Power Plant

Dear Mr. Satyal:

Please be advised that Mr. Patrick Miller has joined the City as Assistant City Manager in charge of Utilities Operations. The City Commission has authorized Mr. Miller to be the Designated Representative (DR) under the Acid Rain Program and the Authorized Representative for our Title V Permit. The Commission also appointed Mr. Larry Baker as the Alternate Designated Representative (ADR). The notification was published for public comment on December 8th. The updated certification statement form will be submitted to EPA reflecting this change.

If you have any questions, please call me at 561-533-7384.

Sincerely,
CITY OF LAKE WORTH UTILITIES

Certificate of Representation

For more information, see instructions and refer to 40 CFR 72.24

This submission is: New Revised (revised submissions must be completed in full; see instructions)

This submission includes combustion or process sources under 40 CFR part 74

STEP 1
Identify the source by plant name, State, and ORIS code.

Plant Name	Tom G. Smith	State	FL	ORIS Code	0673
------------	--------------	-------	----	-----------	------

STEP 2
Enter requested information for the designated representative.

Name	Patrick D. Miller				
Address	1900 2nd Avenue North Lake Worth, FL 33461				
Phone Number	561-586-1665	Fax Number	561-586-1702		
E-mail address (if available)	pmiller@lakeworth.net				

STEP 3
Enter requested information for the alternate designated representative, if applicable.

Name	Larry Baker				
Phone Number	561-533-7352	Fax Number	561-533-7387		
E-mail address (if available)	lbaker@lakeworth.net				

STEP 4
Complete Step 5, read the certifications, and sign and date. For a designated representative of a combustion or process source under 40 CFR part 74, the references in the certifications to "affected unit" or "affected units" also apply to the combustion or process source under 40 CFR part 74 and the references to "affected source" also apply to the source at which the combustion or process source is located.

I certify that I was selected as the designated representative or alternate designated representative, as applicable, by an agreement binding on the owners and operators of the affected source and each affected unit at the source.

I certify that I have given notice of the agreement, selecting me as the 'designated representative' for the affected source and each affected unit at the source identified in this certificate of representation, in a newspaper of general circulation in the area where the source is located or in a State publication designed to give general public notice.

I certify that I have all necessary authority to carry out my duties and responsibilities under the Acid Rain Program on behalf of the owners and operators of the affected source and of each affected unit at the source and that each such owner and operator shall be fully bound by my actions, inactions, or submissions.

I certify that I shall abide by any fiduciary responsibilities imposed by the agreement by which I was selected as designated representative or alternate designated representative, as applicable.

I certify that the owners and operators of the affected source and of each affected unit at the source shall be bound by any order issued to me by the Administrator, the permitting authority, or a court regarding the source or unit.

Where there are multiple holders of a legal or equitable title to, or a leasehold interest in, an affected unit, or where a utility or industrial customer purchases power from an affected unit under life-of-the-unit, firm power contractual arrangements, I certify that:

I have given a written notice of my selection as the designated representative or alternate designated representative, as applicable, and of the agreement by which I was selected to each owner and operator of the affected source and of each affected unit at the source; and

Allowances and the proceeds of transactions involving allowances will be deemed to be held or distributed in proportion to each holder's legal, equitable, leasehold, or contractual reservation or entitlement or, if such multiple holders have expressly provided for a different distribution of allowances by contract, that allowances and the proceeds of transactions involving allowances will be deemed to be held or distributed in accordance with the contract.

The agreement by which I was selected as the alternate designated representative, if applicable, includes a procedure for the owners and operators of the source and affected units at the source to authorize the alternate designated representative to act in lieu of the designated representative.

Tom G. Smith

Plant Name (from Step 1)

I am authorized to make this submission on behalf of the owners and operators of the affected source or affected units for which the submission is made. I certify under penalty of law that I have personally examined, and am familiar with, the statements and information submitted in this document and all its attachments. Based on my inquiry of those individuals with primary responsibility for obtaining the information, I certify that the statements and information are to the best of my knowledge and belief true, accurate, and complete. I am aware that there are significant penalties for submitting false statements and information or omitting required statements and information, including the possibility of fine or imprisonment.
